BiTadilat

Features How It Works For Technicians FAQ [TR | EN]

Reliable Home Repairs Across Istanbul.

Match with local repair and renovation specialists. Structured offers, transparent trust.

App Store [iOS] Google Play [Android]

Urgent or Planned Needs

Post an emergency repair or plan a future home renovation project in your district.

Transparent Structured Quotes

Compare itemized labor and material costs with clear arrival time commitments.

Empowering Local Trades

Aligned with UN SDG 8: Helping Istanbul craftsmen reach local customers and organize work.

How It Works in 3 Simple Steps:

1. Create Request

Describe your problem, select your district, and upload photos.

2. Compare Quotes

Review itemized labor and material fees from matched local pros.

3. Confirm & Review

Inspect completed work, confirm completion, and rate your pro.
